

Adapter Cable TX to VCXG VCXU

Adapter Cable

Article number: 11701127

Overview

- Adapter to connect VCXG and VCXU cameras to existing TXG cabling
- Split cable M8/8-pin female connector to 1x M8/3-pin male connector (power) and 1x M8/4-pin male connector (I/Os)
- Protection class IP65/IP67
- Length 0.4 m

Technical data

Electrical data

Connectors	M8/8-pin female connector M8/3-pin male connector M8/4-pin male connector
------------	---

Mechanical data

Dimensions	distribution part 50 mm x 26 mm x 13 mm
Smallest bending radius static	29.5 mm 22 mm (cable with M8/3-pin male connector) 22 mm (cable with M8/4-pin male connector)
Smallest bending radius moved installation	59 mm 44 mm (cable with M8/3-pin male connector) 44 mm (cable with M8/4-pin male connector)

Mechanical data

Bending cycles	M8/8-pin: 2000000 M8/3-pin: 10000000 M8/4-pin: 10000000
Use in cable carriers	yes
Cable length [m]	0.4 m
Conductor cross-section	8 × 0.14mm ² 3 × 0.25mm ² 4 × 0.25mm ²
Material	TPU PUR, halogen-free

Environmental conditions

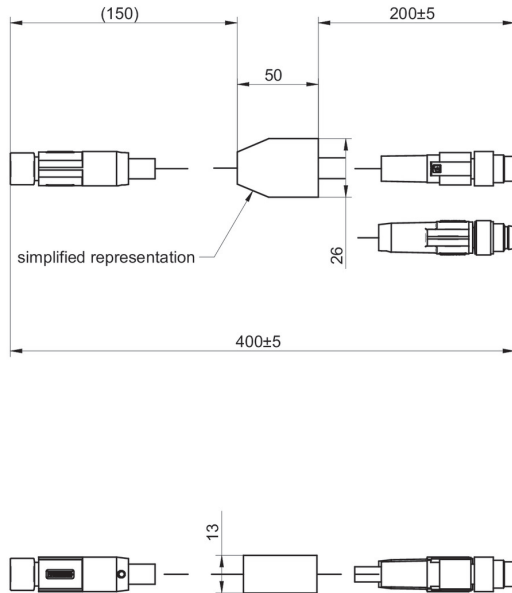

Operation temperature (moved installation)	-5 ... +75 °C
Operating temperature	-25 ... +75 °C
Protection class	IP 65/67 (mounted)
